Recommendation Letter

To Whom It May Concern,

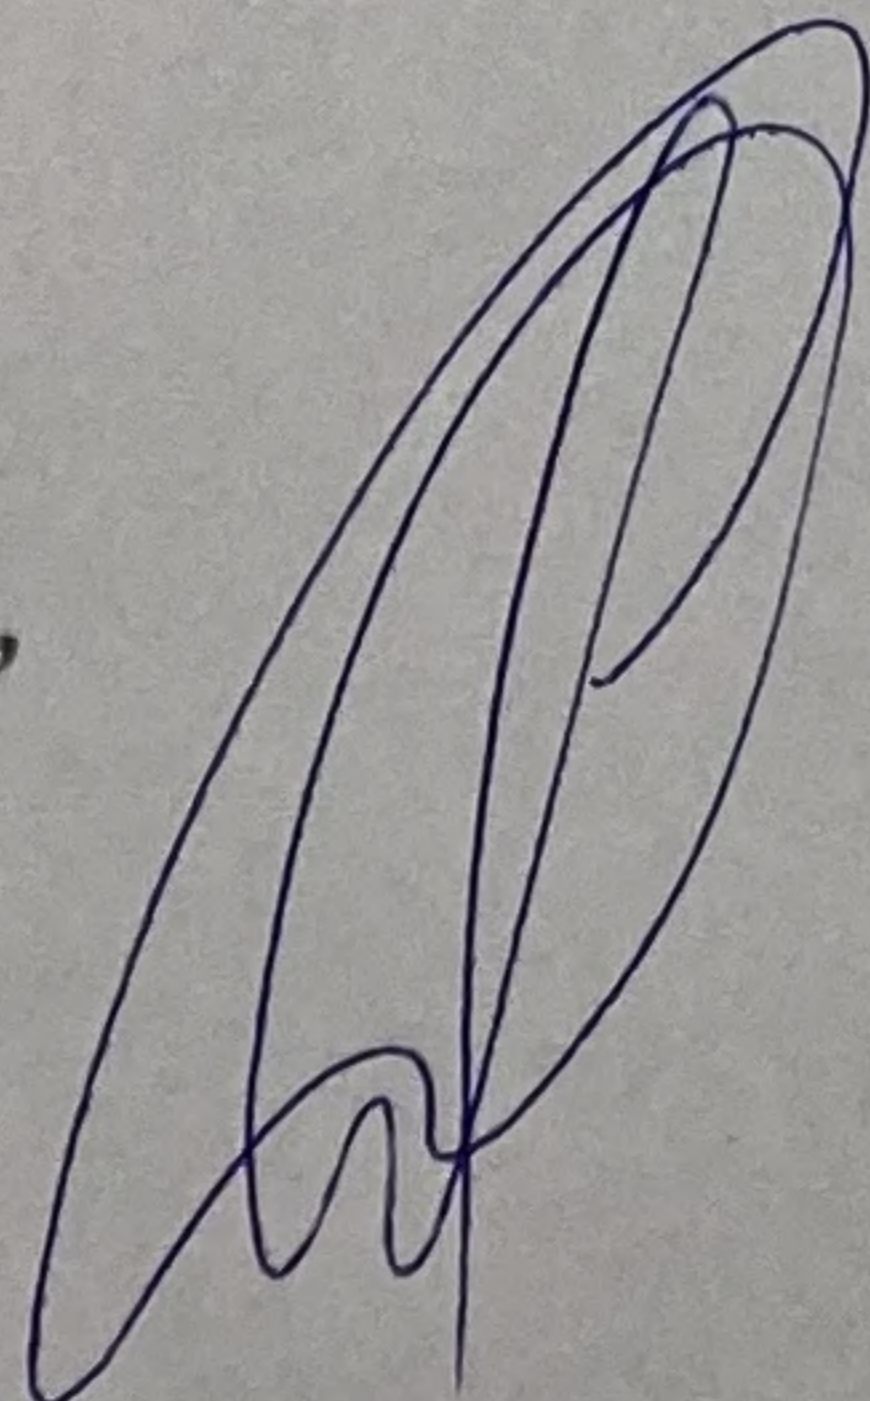

As a Founder of the brand PITAYA, I am happy to recommend the services of the Addlium agency.

We have been using Addlium services to find new partners for distributing and spreading our brand awareness to new markets for the past three months and have always been completely satisfied with their performance. They do an excellent job, are always in touch and ready to help, and offer acceptable rates.

We have hired them to implement a social selling approach for our business, which includes lead generation and advising on content for our LinkedIn accounts. Moreover, they helped us to create our ideal customer profile in the B2B sector and advised us on follow-up steps in further sales processes.

I understand how difficult it is to find a reliable partner for business process outsourcing, and I'm happy to meet Dmytro Suslov and his team. If you have any questions, please feel free to contact me.
